

FINAL
ENVIRONMENTAL IMPACT STATEMENT FOR THE
NORTH JACOBS RANCH COAL LEASE APPLICATION WYW146744

NOTICE

On August 8, 2001, the Final Environmental Impact Statement (FEIS) for the North Jacobs Ranch Coal Lease Application, Serial Number WYW146744, was provided to the public for review.

On August 24, 2001, the Environmental Protection Agency (EPA) will publish its 30-day notice of availability in the Federal Register. The Bureau of Land Management will accept comments on this FEIS thru September 24, 2001. Comments received during the EPA notice of availability period will be considered in preparing the Record of Decision.

Please send written comments to Bureau of Land Management, Casper Field Office, Attn: Nancy Doelger, 2987 Prospector Drive, Casper, WY 82604. Written comments may also be e-mailed to the attention of Nancy Doelger at "casper_wymail@blm.gov." E-mail comments must include the name and mailing address of the commentor to receive consideration. Written comments may also be faxed to 307-261-7587.

Comments, including names and street addresses of respondents, will be available for public review at the Bureau of Land Management, Casper Field Office, 2987 Prospector Drive, Casper, Wyoming, during regular business hours (8 a.m. to 4:30 p.m.), Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives of officials of organizations or businesses, will be made available for public inspection in their entirety.

If you have any questions or would like to obtain additional copies of this FEIS, please contact Nancy Doelger at 307-261-7627, or at the above address.
